***Cyber Society of India (CySI)** is a non-profit organization, primarily engaged in creating awareness on information security, cyber laws and related areas. CySI was started as a registered society in 2004, with patronage from Dr. R K Raghavan, IPS, former Director, CBI, Shri N Vittal, IAS, former Central Vigilance Commissioner and many such men of eminence. We have so far conducted many workshops, conferences and seminars with participation from banks, IT companies, lawyers, Information Security professionals and students to alert them for their safe travel in the cyber space. For more details about CySI, kindly visit: www.cysi.in*

***Data Privacy Day** is an international day that is observed every year on the 28th January. The purpose of Data Privacy Day is to raise awareness and promote privacy and data protection best practices. It is currently observed in the United States, Canada, India and 47 European countries. We are aiming to get the attention of Police, Students, Legal scholars, privacy professionals, and government officials etc.*

CySI has planned to observe the “Data Privacy Day” on 28th Jan 2019 in Chennai in association with ISC2-Chennai Chapter & SPIN Chennai

***ISC2-Chennai Chapter's** mission is to advance information security in local communities throughout the world by providing our members and other security professionals with the opportunity to share knowledge, grow professionally, educate others, and collaborate on projects. For more details about ISC2-Chennai Chapter kindly visit <https://www.isc2-chennai.org/>*

***SPIN Chennai** (Software Process Improvement Network) is a forum of software professionals for open exchange of software process improvement experiences and ideas. The organization serves as a source of educational, scientific and practical information for its members, other SPIN organizations, and the general software community...
