## Zoom meeting etiquette:

1. Think of a Zoom Meeting as a face-to-face meeting and conduct yourself as you would if you were all present in the same room.
2. **Join early** - aim for 5 minutes before the meeting start time, if possible, to leave time for troubleshooting any unforeseen issues that arise.
3. If you have not used Zoom, before clicking the link to **download Zoom prior to the day of the meeting** and familiarise yourself with any features you may need to use on the day - mute/unmute microphone, stop/start video, screenshare etc.
4. If you already have Zoom, **upgrade Zoom before your meeting** to ensure you have access to the latest enhancements. This typically only take a minute but ideally do this at least 5-10mins before the meeting start just in case.
5. Ideally **have your video on** unless you are experiencing connection issues
6. **Find a quiet space** without interruptions / background noise
7. **Have a plain background** - avoid backlight from bright windows Or use a **Virtual Background**
8. **Have good lighting** on your face so you can be seen clearly
9. **Position your camera to be at eye level** if possible - especially take note of the angle of your laptop screen if using the built-in camera. Placing books or a box under your laptop to make it higher is a useful tip.
10. **Mute your microphone** when not talking

11. Try to avoid talking over / at the same time as other participants
12. Be aware you are on camera and try to avoid doing other tasks, checking emails, looking at your phone etc.
13. Don't talk over the speaker.
14. Don't hang out in a noisy, busy or crowded space. Find somewhere private during the session. Background noise will be a disruptive to the other participants.
15. Wearing a headset with a microphone can help reduce background noise that might be picked up by the computer's built-in microphone.
16. Don't use multiple laptops for the speakers to talk in single room it creates Echo at the recipient side.
17. Make sure having the light facing toward you and a well-lit room will make it easier for people to see you and give a better-quality image.
18. Make sure having better internet connectivity at your location
19. Make sure the device (laptop/Mobile) is either plugged in or fully charged.
20. If you do need to share your screen during a video call, take a few seconds to prepare before you hit that share button.
21. Our Guests & Participants may post their questions/ comments in the Chat box for our Leaders to view and respond them, as appropriate. Relevant comments will also be made of part of the Report which will be published in our website [www.cysi.in](http://www.cysi.in).
22. This is a licensed Account of CySI. We are following all the security measures as suggested by CERT-IN and Ministry of Home Affairs, Govt of India Advisories while scheduling Zoom meetings.
23. Hope you will make it convenient to join the webinar and be benefited
