Report

Cyber Society of India (CySI) organized its first webinar on the 16th May 2020, on the subject of 'How to Safeguard your Facebook Account'. The webinar termed as part of the 'Kanininar Series' aims at creating awareness about staying safe in social network and was addressed by Mr. Karthikeyan Natarajan, Cyber Crime Advocate and Head of Cyber Intelligence Academy (<https://www.cyberintelligenceacademy.in/>).

The webinar arranged at short notice was enthusiastically welcomed with around 200 registrations, which made the CySI organizing Committee to enhance the bandwidth, in terms of technical support and reach.

The webinar, with a fair representation from across the society including judiciary, media, education, Banking and common netizens started sharp at 11 AM, with the arrival of Dr Justice Vimala, Former Judge of the Madras High Court , joining the session.

After a brief of the Netiquette and other expectations during the progress of the webinar set by the moderator Mr. Kapaleeswaran, Former President, CySI, the President of CySI Mr. Balu Swaminathan, welcomed the attendees and explained the efforts of CySI in spreading awareness and the need for this awareness programme, first of its kind from CySI over online.

After the introduction by Mr. Prem Anand, Secretary of CySI, the speaker of the day Mr. Karthikeyan, took over the dais. What followed was a smooth flow of the explanations of the salient features of the social network, the pitfalls to be aware of and precautionary measures to be taken by the users towards staying away from potential dangers.

The eighty strong attendees were in rapt attention posting their queries online and were also providing their appreciative feedback, even while the session was in progress.

After 75 minutes of his presentation, the speaker answered all the questions posted by the attendees over online as well as additional queries raised on the spot.

The session, well managed with the technical support of Mr. Sridhar Ramakrishnan, Executive Committee member of CySI, concluded with Mr. Madhavan, Treasurer of CySI thanking the audience and all others for their support and encouragement to this maiden initiative of CySI with their presence, encouragement and requested them to continue their support to the future webinar sessions planned by CySI.
