

Cyber Society of India

21st May 2021

Dear Netizens,

Cyber Society of India (CySi) hopes that all of you are safe and ensuring adequate safety measures to protect yourself and your family from this Pandemic situation. We suggest the SMS strategy. (S- Sanitizer, M - Masks and S- Social Distancing) as the best defense mechanism to all our Netizens.

CySi, a non-profitable organization is thriving to expose various vulnerabilities and threats faced by the common people due to cybercrimes. CySi has conducted several online programmes by bringing experts in handling Cyber Crimes Preventions & investigations, Ethical Hackers and Lawyers who share knowledge and experience to bring awareness for our Netizens.

We have seen a huge spike of Cybercrime incidents reported during this Pandemic and Hackers adopting different innovative strategies to defame and loot money from the Citizens.

We take privilege in inviting you for Free Webinar Series Six in Tamil - **"KANININAR SERIES-6"**
