## Kindergarten Sports Day at Shraddha Children's Academy, Padur- Celebrating Safety and Fitness with Straps and Shields

Amidst the gentle breeze and the laughter of children, the Second Annual Kindergarten Sports Day was conducted on 2nd September, 2023. This year's theme, "Straps and Shields," painted a vivid picture of safety and fitness, with our little mascots donning badges that read "Little Champs - Guarded by Helmets and Seat belts." The event was a testament to our

commitment to ensuring the safety of both parents and children, all while celebrating the joy of physical activity.

The Chief Guest for the event was Mr.Dilipan Raj, a renowned National Cyclist and Coach. He addressed the gathering with passion and conviction, emphasizing the critical role of fitness in a child's development.

The Principal, Mrs. Rebecca

Mary Clement, extended a warm welcome to all attendees and stressed the school's commitment to providing a holistic education that values both the mental and physical well-being of students. She expressed her gratitude to the parents for their unwavering support and enthusiasm, which contributed to the success of this event.

The Sports Day commenced

with a colourful march-past of the tiny tots as they marched proudly, their little feet in perfect sync following which the Pre-KG children wowed the audience with their "Flag Drill." Holding onto mini flags, they danced and twirled, showcasing their agility and coordination. It was a delightful spectacle that left everyone applauding their adorable performance.

The LKG students stole the

spotlight with their "Tennis Bat Drill," demonstrating remarkable coordination and skill, wielding their tennis bats with finesse. Followed by the UKG students who rounded off the drill series with their energetic "Bottle Shaker Drill." Armed with colourful bottles filled with beans, they shook and danced to the rhythm, highlighting the importance of staying active and healthy

through movement. The sports events that followed were a delightful mix of traditional races and fun activities that encouraged the children to embrace physical fitness with enthusiasm. The Kindergarten Sports Day concluded, leaving behind cherished memories of a day devoted to safety, fitness, and the bright future of our young champions.
